Sub: Request regarding to grant permission for subscribing the amount to BSNL for extending Internet Facility to our college.

Respected Sir,

With reference to <sup>the</sup> subject cited above, as per the instruction of the BSNL authorities tariff for NME ICT scheme is revised and each college is now permitted to go for upgradation of maximum of 40 Mbps. Hence, in this connection it is needed to submit the consent letter for retention and upgradation of the Internet Facility to our college. For this purpose, as per the revised guidelines our institution may incur approximately Rs. 80,000/- per annum to continue the existing Internet facility to our institution.

Internet facility is essentially needed both to the faculty members and the students to upgrade their knowledge. It is also mandatory to meet out the UGC norms and requirements of NAAC authorities. Hence, I request you to kindly allow me to submit the consent letter for upgradation of BW/Retaining BW to BSNL authorities from our college.

Thanking you,
